POCI MEMBERSHIP MILESTONES

(20, 25, 30, 35 and 40-year membership milestone reached in 2018)

Congratulations to **583** veteran POCI members that are crossing one of our “five year” membership threshold levels in 2018!

This year we have **28** members crossing the 45-year level, **56** members crossing the 40-year level, **87** members to add to the 35-year level, **139** to the 30-year level, **112** to the 25-year level, and **161** to add to the 20-year level.

Please note that we have other members that have crossed the 20 through 45-year membership levels and have been recognized in prior years. The list of names below is only those members crossing a threshold in 2018.

Membership milestone hat pins are in the mail. If you have any questions or want to check on your membership join date, contact the Club Office.

Member loyalty throughout the years is a great testimony to our club– thanks to each and every one of you for your continued support!

-Paul Bergstrom, Club Office Manager
