

# MOHEGAN SUN FOR WICKED FUN IN '21!

The remarkable facilities of the Mohegan Sun promise to set new standards for POCI's annual gathering!

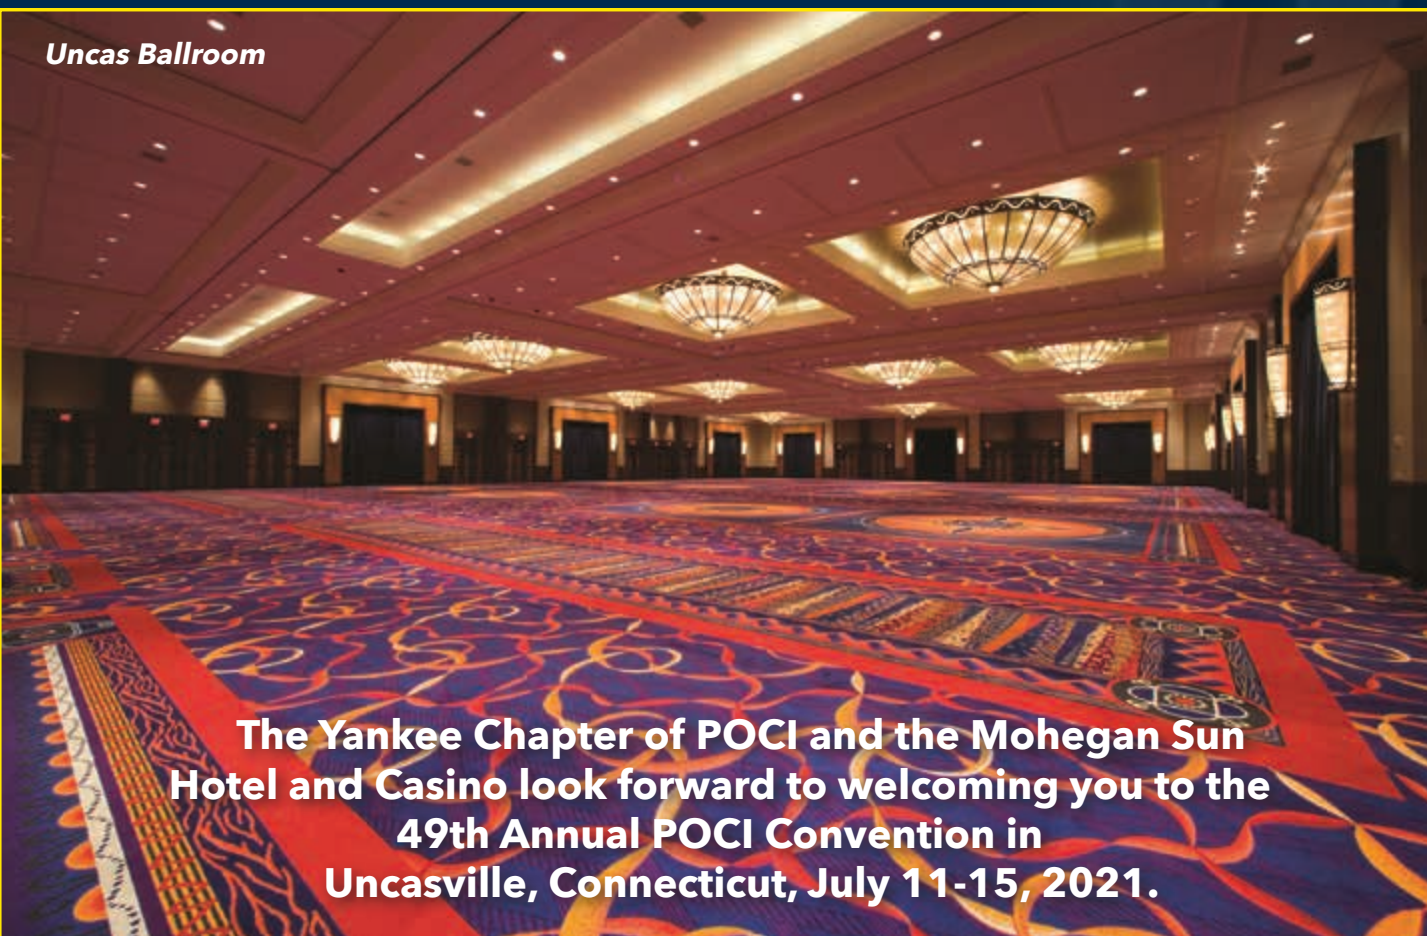

## 2021 POCI CONVENTION FACILITIES

As your hosts for this year's annual POCI convention, the Yankee Chapter is truly excited about everything the Mohegan Sun Hotel, Casino, and Convention Center has to offer. The Convention Committee believes that this facility offers the finest possible venue for a national convention. It is a complete, self-contained destination which, if you should so choose, allows you to remain on the premises for the entire length of your stay.

Meeting Room

EARTH EXPO & CONVENTION CENTER, EXPO CENTER & EARTH BALLROOM

Uncas Ballroom

The Yankee Chapter of POCI and the Mohegan Sun Hotel and Casino look forward to welcoming you to the 49th Annual POCI Convention in Uncasville, Connecticut, July 11-15, 2021.

As you approach the Mohegan Sun's main entrance, stay to the right and follow the signs to the hotel entrance where you can unload your personal belongings and proceed inside to the hotel check-in desk on the right side of the huge lobby. Once you are checked in, take the connector hallway to your right which will lead to the elevators for the Earth Tower, where your room is located. The Earth Tower is on the north side of the property adjacent to the Convention Center and Winter Parking Lot where most of the convention activities will take place.

Once you have settled into your room, feel free to return to the ground level and explore even more of this grand facility. Once there, you'll find the Earth Pool and Spa on your left. If you turn to the right, you will again find yourself in the connector hallway where you can return to the lobby and the hotel's registration desk, or you can turn right and walk to the entrance of the Convention Center.

Let's begin by taking the right turn and entering the Convention Center. You will be in the Gateway Hallway which curves around

the meeting rooms and ballrooms on the left and ends at the entrance to the Earth Expo Convention Center. To your right are more meeting rooms and a large open-air terrace. As you walk along the hallway, you will have a chance to shop among our indoor vendors.

One of the first places you will want to visit is our Convention Registration area. It will be located on the left side of the Gateway Hallway. Our plan is to combine the Thunder, Harvest, and Hot Suns meeting rooms into one large 2,600-square-foot registration space.

In front of this area are two meeting rooms: Falling Leaves and Hunting. These 500-square-foot rooms will be used by the Judging Committee for meetings and training and possibly for the judges' breakfast function. Behind Registration are three additional rooms: Corn Planting, Maple Sugar, and Strawberry. They will be combined to provide a 1,500-square-foot exhibition space for Chapter Displays, our Model Car Contest and Coloring Contest.

Also to the rear of our Convention Registration is the 700-square-foot Peeping Frog meeting room. This is where you will find all of our chapter meetings.

Returning to the Gateway Hallway, there are meeting rooms on the right side. These are the Snow Wading Room, which is planned for storage, and the Wolf Boardroom, where our Board of Directors Meeting will

take place on Monday.

Further along the hallway on the left is the entrance to the ballrooms. The two ballrooms total 18,000 square feet and will seat up to 1,000 diners. This will be the location of the POCI Chapter Night banquet on Wednesday evening and the Awards Banquet on Thursday evening. During the day on Monday, Tuesday, and Wednesday, we will use one of the ballrooms to host our various seminars.

Finally, at the end of the Gateway Hallway, is the entrance to the Earth Expo Convention Center and the Winter Parking Lot where we will host our main events: the Swap Meet, Road Warriors display, and the Popular Vote and Points-Judged car shows.

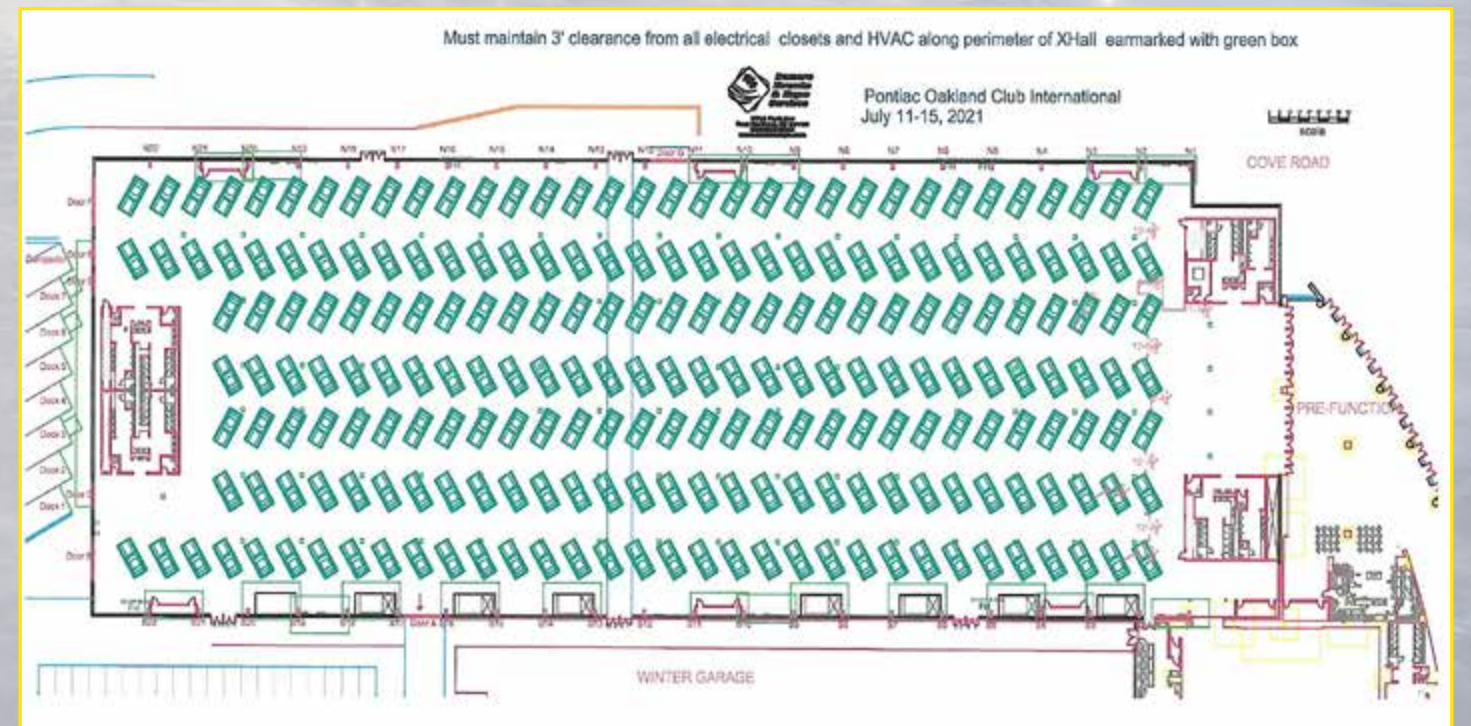

The Convention Center has 125,000 square feet of unobstructed space with enough room for about 175 cars. We plan to park all Points-Judged cars and Special Display vehicles inside the Convention Center. These cars must have less than a quarter tank of fuel and each battery must be disabled. Once parked inside, the cars must remain in place until Thursday afternoon at the conclusion of the show.

Tech Inspection will also take place within the Earth Expo Convention Center. Following an inspection, each Points-Judged vehicle will be directed to a designated parking space. For those members who

transport their cars by trailer, there will be a designated trailer parking lot onsite where you can unload your car and park your trailer.

All Road Warrior and Popular Vote cars will be parked outdoors in the Winter Parking Lot. This lot will

hold more than 700 cars and will be arranged by classes with designated spaces for every car. Once your vehicle has been through Tech Inspection, you will be assigned a space in your class. Upon receiving your space, you may come and go as you please, always returning to your

Earth Ballroom

door car show.

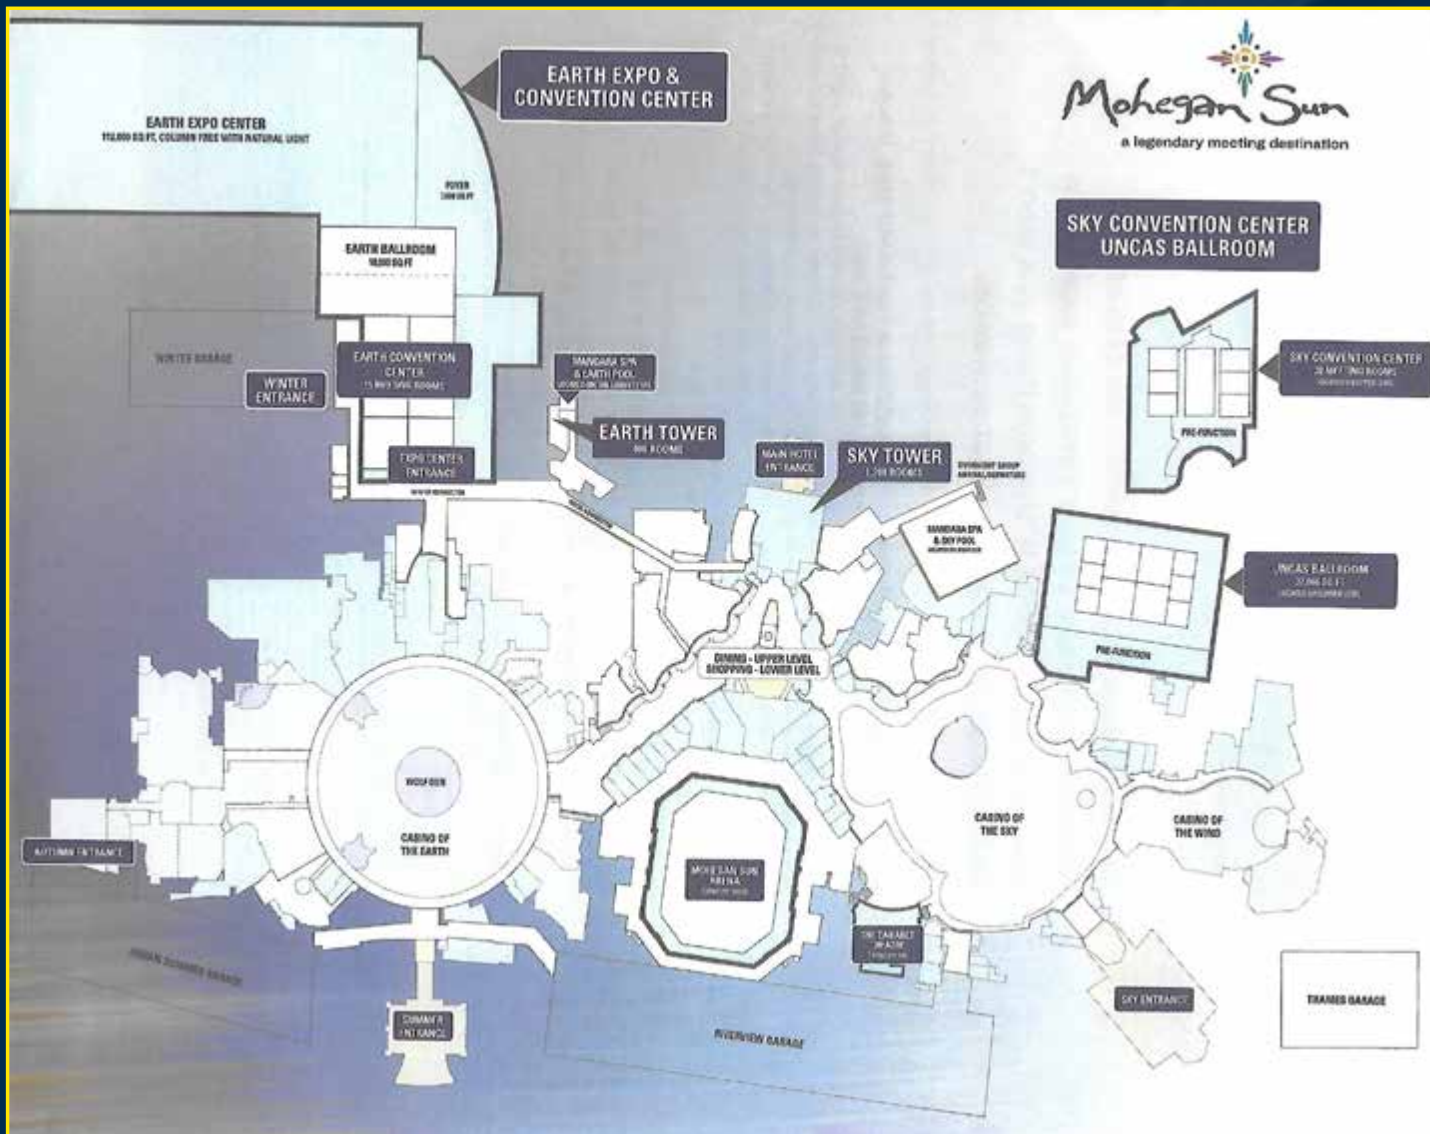

What if you decide to turn left when you arrive back at the connector hallway and go back to the lobby and the hotel's registration desk? You will return to the main lobby and, in front of you, is the entire complex. If you choose to go to the left, you will pass by shops on the lower level and restaurants on the upper level. Further along, you will arrive at the Casino of the Sky and eventually the smaller Casino of the Wind. Should you choose to go right, you will again pass by shops on the lower level and restaurants on the upper level on your way to the Casino of the Earth.

The 10,000-seat Mohegan Sun Arena is located between the two major casinos. Mohegan Sun is set up so that the three casinos are completely separate from the rest of the complex. You will never need to set foot in one of the casinos unless you choose to.

To learn more about the individual shops, restaurants and other onsite events and entertainment, be sure to visit [www.mohegansun.com](http://www.mohegansun.com)

assigned space.

We plan to have Swap Meet vendors set up in the area of the Winter Parking Lot between the Convention Center and the outdoor car show area. Convention attendees will have to pass by the Swap Meet area when walking between the Convention Center and the out-
